FALL 2023

ADULT CLASSES

ACRYLIC PAINTING

MONDAYS 6 - 8PM | JOE ROACHE

This class provides hands-on instruction in preparing surfaces, color mixing, glazing, scumbling, and using mediums. We will use a variety of techniques from underpainting and glazing to alla prima, impasto, pouring, and collage techniques. Students in this class will work from live models, still life setups, and photographs.

INTRODUCTION TO WHEEL THROWING

MONDAYS 6 - 8PM | LAUREL BLACKTHORNE

Come learn to throw on the wheel! We will focus on building a strong foundation of skills and techniques that students can carry forward in their ceramics practice. Each class meeting will have a specific focus and students can expect to complete 6-8 pieces. The class will also include discussions of basic knowledge about clay, glazes, and kilns that will give students a holistic understanding of ceramics.

WATERCOLOR & MORE

TUESDAYS 10AM - 12PM | NINA FREEMAN

This is an eight-week class for anyone, beginner or more experienced, who wants to learn more about painting techniques using either watercolor or fluid acrylic on paper. Demonstrations will be provided each class and students will work on their own projects. Instruction in brush techniques, color mixing, composition and more will be provided.

SCULPTING FIGURATIVE BUSTS
TUESDAYS 6 - 8PM | SANDY PROCTOR

Learn and practice basic sculpting techniques through hands on creation of a figurative bust! Join artist and sculptor Sandy Proctor for demonstrations and instructor feedback while rendering your own sculpture. Students in this class can expect to create a human bust out of modelling clay, including everything from building onto a Styrofoam base to shaping the features of the face.

PROJECTS IN WHEEL THROWING
WEDNESDAYS 9AM - 12PM | LAUREL BLACKTHORNE

We will focus on mastering the foundational skill of throwing clean, even cylinders and expand into new forms such as bowls and plates. Students will work on refining their trimming skills to ensure a clean and functional finished pot. Students can expect to complete 8-10 pieces. Class will include discussions of clay, glazes, and kilns that will give students a holistic understanding of ceramics.

BASIC DRAWING
WEDNESDAYS 6 - 8PM | JOE ROACHE

This basic drawing class will provide hands on instruction in drawing, from basic sketching through finished drawings and portrait sketches. We will use a variety of different mediums including pencil, charcoal, pastel, and color pencil mediums. Students in this class will work from still life setups, live portrait models, and photographs.

SOFT PASTEL PAINTING
THURSDAYS 6 - 8PM | JOE ROACHE

Designed for beginners to intermediate students, this class will provide hands on instruction in preparing surfaces, color mixing, drawing and fixing. We will use a variety of techniques from underpainting and watercolor background techniques. Students in this class will work from still life setups, live portrait models, and photographs. Two basic types of pastel painting will be explored, soft pastel and oil pastel.

MIXED LEVEL HAND BUILDING
THURSDAYS 1:30 - 4:30PM | LAUREL BLACKTHORNE

Let's make things with clay! We will focus on foundational skills in slabs, coils, and sculpture in a series of instructor-guided and student-led projects. We'll make everything from pinch pots to garden sculptures. Students will also work on building their surface design skills through the creation of tiles. The class will include discussion of clay, glazes, and kilns that will give students a holistic understanding of ceramics.

LITTLE BIT OF EVERYTHING CLAY
FRIDAYS 6 - 8PM | LAUREL BLACKTHORNE

Don't know whether to start with hand building or wheel throwing? This is the class for you! We'll explore both through a series of guided projects including wheel-thrown spoon rests and hand-built trinket boxes. A great introductory or one-time class for folks interested in exploring clay as an art form.

INTRO TO HAND BUILDING
SATURDAYS 9AM - 12PM | LAUREL BLACKTHORNE

Learn to make things with clay! Designed for students new to clay or hand building. We'll focus on building a strong foundation of skills & techniques that students can carry forward in their ceramics practice. Each class will have a specific focus & students can expect to complete 6-8 projects. We'll make everything from pinch pots to garden sculptures! Class includes educational discussions about clay, glazes, & kilns for a holistic understanding of ceramics.

INTRO TO STAINED GLASS
SATURDAYS 9 - 11AM | DREW MILLER

This class will provide hands-on instruction on how to safely cut glass, solder, and work with lead & copper foil. Students will choose a design, pick out glass, & construct one or more windows. All tools and supplies are provided. Includes demonstrations of methods for restoring antique stained-glass windows, building lamps using copper foil, working with fused glass, and using Glass Eye Software to make your own designs.

STAINED GLASS MOSAIC
MULTIPLE CLASS OPTIONS AVAILABLE | SHEA WEBB

A mosaic is a surface decoration made up of closely set, usually variously colored, small pieces of glass, tile, ceramic, or stone. In this class students will construct their own mosaic using a design of their choice. Everyone will learn to safely cut or break the glass then assemble pieces on a flat surface using glue and grout.

CONSTRUCTING A STEPPING STONE
MULTIPLE CLASS OPTIONS AVAILABLE | SHEA WEBB

Steppingstones for the yard or garden can be handmade and decorated with bits of glass, ceramic, or other objects. In this class, students will cast their own steppingstone out of mortar, then prepare a mosaic decoration for the surface and secure it with grout. Everyone will learn to safely cut or break the glass, mix mortar, and apply the grout.
