**Tallahassee Watercolor Society
33rd TRI-STATE JURIED WATER MEDIA
EXHIBITION**

May 21 - July 24, 2021

Susan Allen, *Travel Reflections*, 21" x 17"

Letter from TWaS President

The Tallahassee Watercolor Society welcomes back all of our friends and colleagues – whether from here in the city, from the surrounding North Florida area, or those of our friends and fellow watercolor enthusiasts from Georgia and Alabama!

We all have been through a dreadfully long, debilitating time. As artists, many of us have been isolated not only from our friends, but from the subjects and situations that all artists need to spark their imagination and enjoy the processes we use when we create.

Tallahassee Watercolor Society's 33rd Tri-State Water Media Exhibition is a testament to the art of preserving with our individual passions for art and the medium we all love so much. We offer these representations of our fellow artists' loyalty to their art and love for the wonders it can convey to others.

Thanks to all of our participants, sponsors, and wonderful committee members for working to make this exhibit a way to welcome you back to our world!

Enjoy the show and keep painting!

Meet the Juror: Tom Lynch

Tom is one of the nation's premier watercolorists. He has written 8 books and hosted several award winning PBS TV Art Series. He was recently listed as one of the nation's top 20 teachers by a leading Art magazine. He is represented by some of the nation's leading museums and art galleries. With his uniquely styled landscape paintings, he strives for a level of excitement, movement and resonance that pushes somewhere beyond what the environment naturally provides. When considering subjects, he searches for something striking; like the color of the sky, the direction of natural light, the pattern of shadows, or the glint of sunlight on water. He then embellishes those striking features.
